CORAM: A.P.SHAH & D.Y.CHANDRACHUD JJ.

Dated 6.6.2005

P.C:

. Heard parties.

. The petitioner was working as a constable. She was promoted as PSI. Later on it was discovered that the petitioner furnished false information regarding her birth date. A chargesheet was issued against the petitioner and she was found guilty and as a result she was reverted to the post of constable. The petitioner preferred OA before the MAT challenging the order of reversion. The MAT held that the conclusion of the inquiry are based on satisfactory and admissible evidence and the OA was devoid of any substance and consequently OA was dismissed vide order dated 24.7.2002. The order of the MAT is challenged after 3 years. There is no explanation for this inordinate delay in filing

this petition. Even on merits we find that the view taken by the tribunal is correct. Petition is dismissed.
